APR 19 1921

CONTENTS OF

Vol. II.

By accident the last sheet in our December number was paged like the one which preceded it, and the error was not perceived until too late, we have been therefore under the necessity of giving double references in the table below, the inner numbers being those of the actual pages as marked, and the outer ones, the numbers which ought to have been placed there.

Introduction, — Writers and Critics,..... 1
